	)	<b>Recommendation</b>

Primus Telecommunications, Inc. ("PTI") and Least Cost Routing, Inc. ("LCR" and together with PTI, the "Companies") respectfully request modifications to the recommendation of the Administrative Law Judge filed on June 9, 2009 in the above-referenced proceedings. Specifically, the companies propose modifications to the fifth and sixth ordering paragraphs to state:

"IT IS FURTHER ORDERED that Least Cost Routing, Inc.'s Certificate of Convenience and Necessity shall be cancelled upon written notice to the Commission that merger between Least Cost Routing, Inc. and Primus Telecommunications, Inc. has been consummated."

"IT IS FURTHER ORDERED that, Least Cost Routing, Inc.'s tariff shall be cancelled upon written notice to the Commission that merger between Least Cost Routing, Inc. and Primus Telecommunications, Inc. has been consummated."

The Companies have not yet completed the transfer of assets and customers from LCR to PTI through the proposed merger of the two companies, which was described in the November 29, 2007 filing. As a result, LCR continues and will continue to provide telecommunications services in Arizona, pursuant to its certificate and its tariff, until the proposed merger is completed. The Companies therefore request the modifications listed above to the fifth and sixth ordering paragraphs to ensure that LCR may continue to operate pursuant to its certificate and its tariff until the proposed merger is completed.

Respectfully submitted,
